

I think giving priority to LPFM stations over FM translator services is the wrong way to go. I am a regular listener to K-LOVE radio, as well as a financial supporter. K-LOVE provides me the kind of music that is unavailable in my community and which serves the purpose of uplifting my spirits as I am on my way to work where I am employed in the Operation Enduring Freedom counter-terrorism effort. My work is so difficult, but K-LOVE is there to help me keep my sanity. It empowers me to fight the good fight day-by-day in the Global War on Terror. I don't think I could make it without K-LOVE's help. Keep K-LOVE on the air! Do not give priority to LPFM stations! Thank you!
